■ Payment Guidelines

Payment Guidelines:

1. For details and announcements on paying tuition, miscellaneous fees, and credit fees, please visit http://tuition.ga.fju.edu.tw/lnchargeStudent/

Who needs to pay fees charged per credit?

- Students who have declared a minor and students who are enrolled in a credit certificate program (with classes opened separately). Codes with D-___9 and D-K ___ require separate fees.

 Note: Students taking courses with the following codes must pay extra fees even if their minor has been approved: D-__9 or C-__9 _.\
- ii. Students enrolled in the Teacher Education Program.
- iii. Students taking language practice courses.
- iv. Day division students who are delaying degree completion and taking 9 credits or less. Students who are delaying degree completion and taking 10 or more credits should pay full tuition and miscellaneous fees. Credits taken at another university either domestically or abroad count as part of the 10 credits.
- v. With the exception of Masters/PhD students and in-service Masters students, credit fees need to be paid in accordance with the standard of the department offering that particular course; credit fees for courses taken by Masters/PhD students and in-service Masters students need to be paid in accordance with standard of the classes to which they belong. If the credits are not recognized by their departments/college, the students have to pay the fees in accordance with the department offering that particular course, and the department needs to issue a certificate one week before the announcement of credit fee payments, which needs to be submitted to the Cashier Section.
- vi. Masters/PhD students and in-service Masters students would during the first week of classes have to get their department chair to sign off on their manual add/drop form, and head to the Office of Physical Education to add the 1-credit DATP3 course. This result will only be recorded and will not count towards the cumulative grade for the semester. Said students who fail to pay for the full fees shall have to pay for 2 credits of Physical Education class.
- 2. For the fee payment schedule (language internship fees), miscellaneous fees and so forth, please refer to the announcements "Miscellaneous Fees" section of the website of the Office of General Affairs.

3. For each credit fee (including language internship fees), miscellaneous fees and so forth, please refer to the announcements at the FJCU homepage and download the form between 16 April 2024 and 30 April 2024 at https://school.taishinbank.com.tw/.

■ Pre-Registration Reminders

Prior to selecting courses, please check the relevant course details including course syllabus, credit exclusion list, course regulations, course type, and so forth. Do take note of the university website as well as the websites of individual departments for relevant details on course selection to aid your course registration planning.

- 1. Check if your desired course has a pre-requisite or sequential restriction.
- 2. Check if there is a scheduling conflict on your course list.
- 3. Make sure you are on track to complete all required courses.
- 4. Before registering in a course offered by another program or division, please consult with them about any restrictions.
- 5. Make sure to follow all regulations when retaking or making up credit for a course missed in the past.
- 6. Make sure that you are taking a proper amount of credits (i.e. neither more nor less than stipulated in regulations).
- 7. Please register for courses based on your schedule and interests. Do not wait to see if a course taught by a specific instructor becomes available you may miss the registration deadline and be forced to delay graduation.
- 8. Graduating students should double check that they are on track to meet graduation requirements. They must take any courses or credits they are missing in order to graduate on time.
- 9. All students must go to class beginning the first day. This includes both courses you have already registered in and ones that you intend to register in. The instructor has the authority to prevent students from adding or dropping the class as well as the authority to order their withdrawal if they have been absent.
- 10. Some courses are not covered by regular tuition they require additional fees charged per credit (please refer to tuition guidelines for details). If you do not wish to take a course that charges extra fees, please make sure that no such course is on your Course List by the deadline to correct registration errors.
- 11. Students returning from a semester leave of absence may need to make adjustments to their course selection strategy. It is recommended that these students plan ahead and seek advice from the relevant departments offering their desired courses.

■ Things to Note

- Course registration is based on a slot-based submission of a wish list of desired courses, and not first-come, first-served. Students need only log into the course registration system in accordance with their assigned time slot to submit their wish list. Make sure to check your course list after registration during your assigned time slot.
- 2. If you encounter an error code while registering for your courses, you should drop the course or manually correct the error in accordance with the regulations. If you fail to do so within the deadline to correct registration, the Curriculum Division will erase your course selection details. As such, if you do not rectify

a course registration error in accordance with the recommended course of action per the error code, you will not be deemed as registered for a particular class even if you were to attend class.

- 3. Your department secretary will be able to help you with course registration for certain modules that you are unable to add/drop yourself; please refer to the relevant department for help with course registration for modules you are unable to add/drop as a student user.
- 4. In accordance with Article 11 of the Regulations Governing Course Selection and Registration, "students can take up to 25 credits per semester (excluding the School of Medicine); students enrolled in a minor, double major, credit courses (including micro courses), the Teacher Education Program, recent graduates and those undergoing military training may take up to 32 credits." Additionally, "students enrolled in a minor, double major, or the Teacher Education Program, recent graduates, those undergoing military training, and those who have an average grade of 80 or higher in the previous semester, may take up to 36 credits after obtaining permission of their advisor and program director." Students who have taken more than 36 credits due to special circumstances will be allowed to do so after submitting approval of the Dean of their respective faculty as well as the Dean of Academic Affairs.

The number of credits master's and doctoral students can take each semester is to be determined by each department (or institute); however, if the total number of credits exceeds 25, approval from the department's (or institute's) director is required.

Application for credit overload: students must submit their grade transcripts (including ranking), study plan and the Credit Overload Application Form, which must have been reviewed by the student's academic mentor, department chair, and college dean to the Office of Academic Affairs. The deadline for processing is the same as the deadline for correction of course selection errors.

- 5. Students should complete their course registration before the online add/drop period. Those who are unable to do so should, in accordance with the timings announced by the relevant departments, submit a manual add/drop list before the end of the deadline to correct course registration. Late submissions will not be accepted.
- 6. Following the deadline to correct course registration error, students who do not meet the minimum number of credits by the end of this phase will be ordered on a leave of absence. Students delaying graduation must register in at least one module or they will be expelled. This includes students in the Teacher Education Program.

Day division: minimum 12 credits for freshmen, sophomores and juniors; 9 credits for seniors

SOCE division: minimum 10 credits for freshmen, 9 credits for sophomores to seniors

Note: These restrictions do not apply to students performing a practicum in the Teacher Education Program and who have not yet fulfilled proficiency requirements in Chinese, English, and Information Literacy.

- 7. Students delaying graduation and students resuming studies after a LOA should select courses based on their own needs. To avoid conflict in course registration, these students will not be included for automatic class registration. In matters laid out in the Regulations for Course Selection and Registration, these regulations take precedence.
- 8. Confirm courses:

The course list is crucial in securing your course registration, and students should per regulations confirm

their course list for the semester online no later than before the end of the course registration correction period. No correction to course registration will be allowed past the deadline, and those who fail to confirm their course list online will be assumed to have error-free course registration, with the latest file recorded by the system as the final course registration result.

- *The correction of course registration must, in accordance with the regulations, be completed within the deadline at the Curriculum Division. Your course instructor cannot simply add/drop you from course attendance list and have it recognized as such. Even if you do attend classes, it will not be officially recorded, and for courses you are registered for and did not drop before the end of the deadline, your score will be recorded as 0. TronClass subject list or your instructor's attendance sheet is not official proof of course registration.
- 9. **From the 2018-2019 academic year, undergraduates (including those in the two-year in-service nursing program, but not including post-undergraduate departments) are no longer required to take a Chinese proficiency test. Assessment in information literacy is still required. Individual programs determine requirements for English proficiency.
 - You can check your results for the information literacy test here: University homepage > Students > System Menu > Courses and Academics > Check My Grades. Refer to the HEC website announcement for relevant information on implementation and complementary measures.
- 10. From 2010 onwards, credits earned by taking HEC courses in excess of requirements cannot be used to satisfy electives for graduation. Credits earned in Military Training or Physical Education courses do not count towards graduation requirements.
- 11. From 2013 onwards, Required Military Training has been renamed to All-Out Defense Education Military Training, which is a prescribed elective for freshmen. Students who are retaking, making up credit, or who have obtained a waiver for this course should add or drop the course online during registration. Elective Military Training: Students at the sophomore level or above (including students in a master's program) may register for an elective course each semester but may not repeat the same course.
- 12. No more than half of the total number of credits earned for graduation may be from distance learning courses.
- 13. Refer to the list of school regulations for relevant clauses.

■ HEC Courses Outline

I. Curriculum Framework

Fundamental Courses	8 credits	Introduction to University Life (2 credits); Philosophy of Life (4 credits); Professional Ethics (2 credits); and Physical Education (0 credits/8 credit hours per semester)
Core Abilities	12 credits	Chinese Literature (4 credits); Foreign Languages (8 credits total, at least 4 credits in Freshman English); Information Literacy (0 credits) *0 credits for Information Literacy refers to the University's basic information competency skills (this requires taking a computer information course approved by the University, attaching an external computer information-related certificate or passing the University's own information competency test).
General Education Courses	(12 credits, including at least 2 credits from Historical and Cultural Studies):	Arts and Humanities (4 credits); Natural Science and Technology (4 credits); Social Sciences (4 credits) ** Undergraduates must earn 12 General Education credits before graduation.

II. Changes to Curriculum

- 1. Programs now set up PE courses for freshmen:
- i. Students who enrolled in the 2017-2018 academic year: Freshman PE courses (AT-00: the final two digits are the code of your program) are required for all students. Your program will register you in a course; you don't need to register online. Courses offered include swimming and physical fitness.
- ii. Students enrolled during and before 2016 needing to retake or make up credit for Freshman PE should register during online registration or the add/drop period.
- 2. Foreign Languages
- i. Since 2018, **freshmen English for SOCE** have 2 options: intermediate English offered by the English department as well as beginner English. **SOCE Students not in the English department**

who need to retake advanced-intermediate English or intermediate English should apply to take beginner English.

ii. Starting from the 2023-2024 academic year, some foreign language courses are open for course selection. Students who wish to add a course should pick up a foreign language course application slip during the first week of classes (26 Feb. to 1 Mar.) and use it to log onto the Registration Slip System to register for the course during the add/drop period. Late registrations will not be accepted. (not applicable to cross-division electives)

- 2. The Intermediate Topics in English module is a per semester class, and cannot be taken again by those who have already successfully passed it. Retaking this class when you have already passed it will not count towards your graduation credits. You have to take a different module in your second semester.
- 3. Certain sophomore English classes will not be listed on the HEC wish list for course registration, in accordance with the relevant departments. Please check for course availability online and check out the notes section.
- 4. You may fill a maximum of 20 courses on the HEC wish list, but only 1 course will be randomly assigned to you (for the upcoming semester, non-English foreign language courses will not be available for selection on the wish list)

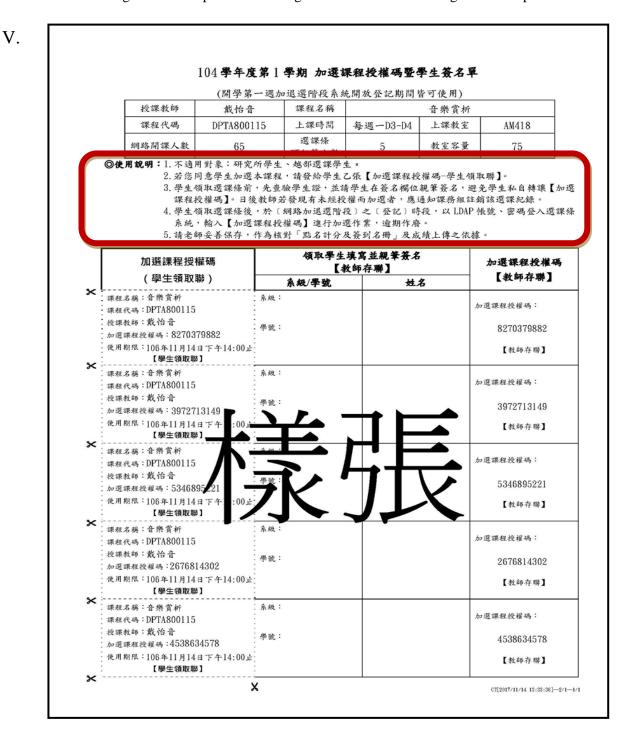

1. Target group:

Day division courses: students in 2-year program, day division undergraduates (including exchange students)

SOCE courses: SOCE undergraduates

- 2. Not applicable to: Master's students and those choosing models from other departments
- 3. HEC and foreign language courses added via the registration slip are not limited by the 2 General Education courses restriction per semester for online course registration.
- 4. Each course registration slip is unique, and each slip can only be used once by each individual. If you drop a course registered using the registration slip, you will not be able to add back the course using the same slip. Automatic registration via the course registration slip is not allowed.
